

A38 Fradley to Barton combined maintenance work

This is to inform you of some upcoming maintenance work on the A38, near Lichfield.

We'll be carrying out essential maintenance work on the A38 between Fradley and Barton. Our work will include upgrading safety barriers, targeted resurfacing, replacing street lighting and renewing road markings. The completed work will provide a smoother carriageway which will remain well-lit and safer for road users at all times.

When will this work take place?

Our work is planned to start on Monday 6 March 2023, and we expect to complete by Autumn 2023. To reduce disruption to the road user, local residents and the economy, we'll work within phased closures of the A38 and service roads, including Rykneld Street and Burton Road.

We apologise in advance for any inconvenience or disruption to those living close to the work. We'll make every effort to carefully manage noise levels and additional lighting to minimise the impact.

What does this mean for you?

In order to minimise disruption, we'll be carrying out work within phased closures of the A38 and service roads as follows.

- Phase 1 – from Monday 6 March 2023 to Saturday 6 May 2023, we'll work overnight between 8pm and 6am, Monday to Friday. During this time, the A38 southbound will be closed between Branston junction and Hilliard's Cross junction, including a northbound lane 2 closure.
- Phase 2 – from Monday 8 May 2023 to Tuesday 18 July 2023, we'll work overnight between 8pm and 6am, Monday to Friday. During this time, the A38 northbound will be closed between Hilliard's Cross junction and Alrewas (A38/A513), including a southbound lane 2 closure.
- Phase 3 – from Monday 17 July 2023 to Wednesday 6 September 2023 there will be a 24/7 closure of Rykneld Street and Burton Road, and a lane 1 closure of the A38 northbound. During this time, we'll carry out daytime work, between 7am and 5pm, Monday to Friday. In this time, we'll also work on the A38 northbound overnight between Alrewas and Branston junction from 8pm to 6am, Monday to Friday. Phase 3 will also require three full weekend closures of the A38 northbound between Alrewas and Wychnor Bridges as follows:
 - from 8pm on Friday 28 July 2023 to 6am on Monday 31 July 2023
 - from 8pm on Friday 4 August to 6am on Monday 7 August
 - from 8pm on Friday 11 August to 6am on Monday 14 August.
- Phase 4 – from Monday 7 August 2023 to Saturday 19 August 2023, we'll work overnight between 8pm and 6am, Monday to Friday. During this time, both Gorshall service road and Branston service road will be closed.

Access to frontages and emergency service vehicles will be maintained throughout. However, there may be times when access is delayed for safety reasons. We will make every effort to ensure any delays are kept to a minimum.

Please note, our work is subject to change due to weather or any other unforeseen circumstances. Please plan ahead and allow additional time for your journey.

Agreed diversion route

We've worked with the local authority to agree a diversion route, which avoids local roads, please see below the map to this diversion route.

Public information events – your invitation

In January 2023, we'll be holding public information events about the work we'll be carrying out along the A38. During the events, the project team will outline the details of the scheme.

We'd like to invite you to come along to find out more about the scheme and give you an opportunity to ask any questions you may have. We're holding face-to-face events on:

- Thursday 19 January 2023, 11am to 7pm
- Friday 20 January 2023, 9am to 3pm

Location: Alrewas Royal British Legion, 58 Rykneld Street, Alrewas, Burton-on-Trent, DE13 7AX
